Did You Know...

That the Bihari people in Bangladesh have been refugees there for 30 years? They are a stateless people, meaning they are not allowed citizenship anywhere. Forbidden to own land or get jobs, they are confined to squalid camps. Pray that God moves in the hearts of the Bihari & for a church to start among them.

An Invitation to You...

Make a difference in the Congo by praying for the local church there & their God-given role to stand up for the widows and orphans, the rape victims and those with HIV/AIDS.
