#### KBC Recommends ...

Ragamuffin Gospel by Brennan Manning. During his earthly ministry Jesus embraced the marginalized offering them healing and grace. Hidden beyond our facades of self-assurance are the inadequacies that only Jesus can heal. Manning puts the "amazing" back into grace for the 21st century reader.

If you have prayer requests, please write them in the space below and drop this tear-off portion in the offering basket or in the box on the Welcome Table.
