**KBC Book Recommendation**

*Prayer; Does it make any Difference?* by Philip Yancey. Prayer is a window into knowing the mind of God. Yancey's book grew out of a nagging sense of failure at prayer. He unfolds prayer as a conversational communion with God and an opportunity to join forces with God to confront suffering & evil.

If you have prayer requests, please write them in the space below and drop this tear-off portion in the offering basket or in the box on the Welcome Table.
